2020 Sponsorship Opportunities

The EBPC Hartford is a Connecticut based not for profit corporation. Its mission is to:

1. To provide a better understanding among the professions of the services which lawyers, trust officers, chartered life underwriters, chartered financial consultants, certified financial planners, personal financial specialists, certified public accountants, valuation experts and planned giving professionals render.
2. To promote cooperation among each of these professions and to foster a better understanding of the proper relationship which each profession bears to the other, to their clients and to the general public.
3. To provide a medium for the discussion of topics of common interest.

Corporate sponsorship opportunities are structured to provide recognition and exposure for participating companies.
